PERSHING 5X - M/Y REMEDY

PERSHING 5X - M/Y REMEDY

The Pershing 5X is the perfect mix of speed and control. True to the Pershing style, head designer Fulvio De Simoni, always amazes and manages to bring out the brands characteristically sporty DNA.

For alfresco relaxation, there are opposing sofas facing fore and aft in the cockpit, as well as a large subbed on top of the tender garage. There's also a foredeck sun pad. Waist-high rails provide safe transit from the cockpit to the foredeck.

Under deck Remedy offers a full beam spacious and en-suite owner's cabin, the second cabin is located in the fore, sharing the bathroom with the other guests thanks to its two separate entrances.

The Pershing 5x Remedy offers plenty of room for friends and family and as well plenty of entertainment options.
