## FJORD 40 - KNOCKOUT

The Fjord 40 Open has a great on-water presence. This unique boat asks why hide inside when you can enjoy the outdoors ? Quite simply, she looks like no other 40-footer around. Powerful yet minimalist, her styling commands attention. The fore is the perfect place to enjoy the breeze chilling on the large sunpad. The aft deck is dominated by a substantial drop-leaf, hi-lo table and a pair of facing settees that can accommodate easy up to eight guests seated. The seatbacks are reversible, so both settees can face either forward or aft; for dining, they can both face the table between them. With the table lowered, the whole shebang converts to a sunpad that's about seven feet long and eight feet wide. She's a real dayboat, and a classy one at that. She's also fast and a great performer. But maybe best of all, wherever she goes, she'll turn heads.
