

HALLMARK

17m (56'), CAPACITY: 12

HALLMARK

This Ocean Alexander is a unique luxury motorboat and is the perfect boat to enjoy the beautiful experience of crossing the Mediterranean. There is ample space for 12 guests to sunbathe on the cushioned front deck, or on the sun loungers on the top deck and talk while taking a glass of rose.

Hallmark comes with an all round sound system, stewardess, fast Zodiac tender, peace, and serenity.

At the rear of the boat you can dine with friends and family, having fresh fish bought direct to your table from one of the many fabulous Chiringuitos and beach restaurants the islands have to offer. Or you can choose to have on board private dining with a menu or style of food designed specifically for you.

Hallmark has the use of a new powerful Zodiac and all the fun extras (Water skis, towable ring and other toys) for the more energetic members of the group! (See activities).
