NAVETTA 31M MY SEMAYA

Luxury classic motor yacht SEMAYA was designed by Greek Anastassides & Tsortanides and built by Navetta shipyard in 1968. After completing several refits in 2010/2016 and again in 2018 she displays traditional atmosphere with a contemporary décor and modern amenities. SEMAYA is ideal for larger groups and families offering 5 en-suite cabins. Two VIP cabins are located on the top deck, the lower deck features the full beam master cabin with en suite bathroom, a double en-suite cabin and the fifth cabin, equipped with 3 beds (one single, one queen and on top of the queen a bunk bed) and en-suite bathroom facilities.

Motor yacht SEMAYA offers an open plan salon and dining with rich toned wood panels, lovely dark teak and holly floors and leather soft furnishings. For indoor entertainment guests can enjoy a full TV and audio system in the salon and TV/DVD in each cabin.

Exterior living aboard the M/Y SEMAYA is generous on 3 full decks and ideal for the warmer climates. The main deck wraps around the yacht 360° and offers an alfresco dining option aft. A middle deck boasts a large aft deck with seating and a shaded sunbed. The Flybridge is spacious and open, perfect for sunning and relaxing.

SEMAPA is fabulous for a relaxed cruising experience throughout the Balearics thanks as well to her low fuel consumption.
