## MANGUSTA 95 - M/Y FIVE STARS

Motor yacht FIVE STARS measures 28.20m and was built by the Italian shipyard Mangusta. Launched in 2005, she was refitted and re-launched in 2017. Mangusta is renown for the timeless styling, beautiful furnishings and sumptuous seating feature throughout to create an elegant and comfortable atmosphere and FIVE STAR is no exception.

FIVE STAR accommodates up to ten charter guests in five cabins. Five Stars's interior layout sleeps up to 10 guests in 5 rooms, including a lavish Master suite, a VIP stateroom, two twin cabins and a single cabin plus a Pullman berth.

The interior styling uses light fabrics against pale and dark wooden panelling for a bright and contemporary appearance in shared and private guest rooms. Guests have easy access to the tenders via the lower deck platform, which connects up to the main deck aft. Here, there is a broad sun pad that can be converted into an alfresco dining area with a raised table coming out of the centre. Under the cockpit, guests have a choice of armchairs and integrated sofas. The foredeck provides a second broad sun pad for guests to spread out and enjoy sunbathing in smaller groups.

Her shallow draft of 1.6m/5.3ft for close access to beaches, besides Five Stars's impressive leisure and entertainment facilities make her the ideal charter yacht for socialising and entertaining with family and friends.
