MAIORA 24S - M/Y SUBLIME MAR

The 28m Maiora 24S 'Sublime Mar' was built in 2003 by Maiora and last refitted in 2020. Previously named Seven C, she is a common visitor in Ibiza with her graceful yet empowering exterior lines.

MY SUBLIME MAR interior design was done by Mango Designer in a sophisticated yet simplistic way. Her fantastic flybridge invites guests to linger and enjoy the fantastic scenery. Her generous deck areas play host to a wide range of amenities including an outdoor bar and ample space for sunlounging and relaxing. The main salon is surrounded by panoramic windows and has plenty of natural light. In the lounge area has a large plush white sofa, coffee table and full entertainment systems. Set in an open plan, a low island credenza provides casual separation between lounge and formal dining forward. Luscious dark wood floors are complimented by beach toned wood panels and contemporary white headlining.

On the lower deck are 4 attractive guest cabins, each with private en-suite facilities, including a master suite, 1 VIP stateroom, 2 twin cabins and 2 pullman beds.

During the day the SUBLIME MAR can accommodate up to 12 guests. A crew of four takes care of the guests' well-being in a highly professional manner. During the summer, Ibiza is the home port of the SUBLIME MAR, while the rest of the year she is based in Barcelona.
