

STEELER BRONSON - MY CELEBRATE LIFE

15m (49'), CAPACITY: 12

Steeler Bronson - M/Y Celebrate Life

The Bronson 50 is the first powerboat on the market to offer you a fabulous open connection between the suave cruiser-style interior areas and luxurious launch-like outdoor spaces. Blending the sleek lines of a powerboat with the luxuries of a motoryacht, this remarkable split-level layout is set to change everything.

Optimal enjoyment of every different space from bow to stern is assured thanks to the integrated cockpit and cabin area, which is in effect designed as one open space where all the people onboard can easily stay in touch with each other.

Furthest aft is a wind-protected bench complete with side tables. Moving forward, expansive sun beds have a back rest that slides aft or forward so you can choose which way to lie and in which direction. Under the lounge bed is another large storage area, with room for a dinghy if you wish.

Approaching amidships are comfy lounge benches to port and starboard, each with a table. At least eight people can enjoy lunch or cocktails here in outstanding comfort and sheltered from the wind.

To summarise, CELEBRATE LIFE really honours her name - enjoy the perfect Ibiza day charter.

YEAR	2020
