## FJORD 53 XL

BRAND NEW YACHT - TO BE DELIVERED APRIL 2022 - NEW PHOTOS WILL FOLLOW

The Fjord 53 XL is the ultimate walkaround dayboat. This type of powerboat is specially designed to enjoy long days at sea in total relaxation. She is as well ideal for families with kids, the walkaround makes it extremely easy to move from fore to aft without danger. This translates into the need for large spaces on deck, along with all the necessary for lunches, aperitifs and al fresco relaxation. This is why the Fjord 53 XL features an extended cockpit with a fully-equipped galley on the deck and a sundeck with a tender compartment below. The Fjord 53 XL is the brands flagship, but of course the yacht remains true to the already classic Fjord design, with the large sunbed in the fore, two benches with table in between and the even larger sunpad in the aft. The Fjord 53 XL comes with a tender included.
