SAXDOR 320 G - SPACE OF IBIZA

SAXDOR 320 G - SPACE OF IBIZA

Following the successful launch of Saxdor the finish shipyard launched this Saxdor 320 G. The yacht has a T-shaped top and walk-around deck. The "flying Finn" is a yacht that combines Italian design and American functionality. In the bow, the mattress and seating provide more space for guests to relax, and the built-in anchor and other equipment ensures that lines are kept clean. Space of Ibiza with it's reclining side terraces creates an unrivalled connection to the water. The integrated T-top provides shade over the bar and helm. Additional sun protection is available at the bow and stern on anchor.
